

Permission for Over-the-Counter Medications 2021-2022

Student: _____ Grade: _____

The non-prescription medications listed below are available from the school Health Room Assistant. Please read this list and indicate which medications you are willing for your child to receive by placing a check mark next to those medications. If you wish for your child to receive any other over-the-counter medications you will need to fill out a Medication Authorization form. These forms are available from the Health Room Assistant.

Acetaminophen (Tylenol): For simple headache, minor muscular aches or cold discomfort.

- 500 mg Regular Strength Tablets (dosage according to age)
- Oral Suspension Liquid (dosage according to weight or age)

Ibuprofen (Motrin): For menstrual cramps, simple headache, or minor muscular aches.

- 200mg Regular Strength Tablets (dosage according to age)
- Oral Suspension Liquid (dosage according to weight or age)

Menthol Cough Drops:

- One or two during the school day for bronchial congestion and cough due to cold

Antibiotic Ointment:

- Topically for minor cuts and skin abrasions

Calamine Lotion:

- Topically for insect bites, poison ivy, etc.

Orajel:

- Topically on gums for relief of minor toothache

Lip Balm (Blistex)
